City Council Homeownership Hearing · 11 AM

250 Broadway, 8th Floor, Hearing Room 2

Joint hearing: Committee on Housing and Buildings and Committee on Finance

This is our moment - our **100,000+ HDFC residents in 1,100+ buildings** across New York City. The city needs to hear from you, the people who own and run HDFCs. Ask city council to urgently pass Reso 9, supporting the senate bill S.880/A.2707. This will renew our DAMP tax exemption, preserving HDFC affordability.

1. **Come in person.** No sign-up needed. Arrive at 250 Broadway a little before 11 AM. A full room sends a message.
2. **Testify on Zoom.** Register in advance at **council.nyc.gov/testify** (video or phone).
3. **Speak for two minutes:** who you are, your building, what you've built, and ask the Council to pass Res. 9 backing S.880/A.2707 HDFC Fairness, Preservation, and Affordability Act as written.

Nothing about us without us.

Don't sell out HDFCs.

No price caps, no asset caps, no monitors on the homes we own.

Can't make it? Submit written testimony at council.nyc.gov/testify, up to 72 hours after the hearing closes. Anything you submit is public, so leave out private details.
